EIN INTERKULTURELLER WETTBEWERB
FÜR MENSCHEN MIT UND OHNE
MIGRATIONSHINTERGRUND

I + YOU = WE Show me your idea!

An intercultural competition for people with and without a migration background. We are looking for creative and curious people who want to realise and present a mutual idea and concept.

You play a musical instrument: Marvellous! Nothing is more pleasant than playing music together with other musicians.

You love the drama: Direct a theatre play or sketch together with like-minded people.

You like painting or drawing: Why not arranging an exhibition together with other painters with your own selected works.

You like photographing: How about straggling through Dresden with others and discovering unknown places with your camera.

The club 'Willkommen im Hochland' raises the project "I + YOU = WE".

The best projects will be selected carefully and presented to the audience in fall/autumn this year. The first event takes place in 'Hoppes Hoftheater Dresden' on **26 August 2019**.
